Thank you!

Dear Quilting Friends,

Whimsical...what a fun time we had in Cañon City with Amy Bradley! Her charming quilts were fun and with her patterns, very possible to make one of her outstanding quilts. She is just as entertaining as her many quilting characters and shared a wealth of knowledge on fusible appliqué and other techniques. If you

didn't get to see her this time, be sure to attend a class she is teaching or use one of her patterns to create your own creative quilt.

We are so excited to feature Alex Anderson at our 39th birthday meeting to help us celebrate! She is bringing a spectacular trunk show and will share her quilting journey with us. The luncheon sold out quickly, but there are still spots in her Sunday workshop. Plan to attend the meeting to hear her and see her wonderful quilts. There will be a few surprises to mark the end of our third decade. If you are interested in being on the planning committee for the 40th Birthday celebration, email me and we will be having a meeting very soon. Let's do something amazing for our 40th year together.

I need a person interested in being our Programs Chair for 2019. The chair is responsible for booking 10 national speakers with a variety of topics for our meetings. If you would like to make arrangements for our speakers and workshop presenters, contact our Nominations Chair Cheri Baenisch at [cheribaenisch@yahoo.com](mailto:cheribaenisch@yahoo.com). Additional responsibilities include picking up teachers from the airport, entertaining them during their stay and attending Sunday workshops. This is a wonderful way to get one-on-one time with some amazing national quilters. We need someone soon as teachers are already booking events for 2019 and beyond.

We hope to see many of you at the meeting in Steamboat Springs in August and also at the Fall Retreat at The Hideaway with Kathy Gaul to learn wool appliqué techniques that she has perfected. It is always a restful, fun weekend and the food is wonderful. See the newsletter and website for details about these upcoming events.

Quilt-a-Fair is right around the corner. We are completing vendor requests and will be securing raffle booths with local guilds. We have several new vendors this year, a variety of food trucks, and a wonderful quilt show planned. If you are going to enter a quilt in the show, but haven't sent in your entry, you might want to email Ellen Palmer and let her know that you are

planning to enter. She wants to have a full wonderful show, so make a plan to submit a quilt. Quilt-a-Fair wouldn't be the same without the quilts circling us in beauty. Make plans now to attend this year's event.

We are planning to add an indoor yard sale at our October meeting—watch for details in the newsletter. If you have items you would like to donate (including fabric, kits, notions or quilts) you can bring them to a CQC meeting or at the monthly board meeting at the Clements Center in Lakewood. We will give you a letter acknowledging your donation for tax purposes.

A lot of great events are coming up, we hope to see you at a meeting or event. Plan to bring a friend or a new quilter to join the fun.

Stay cool and work on a project.

## Volunteer Spotlight — Janet Lyles

As a charter and founding member, I was a volunteer from the beginning of CQC. It was a wonderful way to meet people and being involved led to many events I'd never have gotten to without CQC. Working on the Quilt Colorado Board was really fun and being a part of those big groups of quilters from nearly every state was so exciting. Working in the judging of quilts, setting up banquet rooms, assisting teachers, etc., a quilter's dream.

For a number of years I was a CQC judge and learned more at every judging event. My quilt group, the M&Ms, were my committee along with the others that volunteered. We made several raffle quilts for CQC and for Quilt Colorado. We would have a "manufacturing" at my home and spent the day in work, fun and piecing. When we still served coffee and goodies at every CQC meeting, my Hospitality Committee would make as many as 300 cups of coffee. Had to get there early to do that! Chairing Fall Retreat led to even more great times—headaches too, but quilters are wonderful to work with and get the job done.

I am basically a traditional quilter and love scraps. I still do hand quilting, but most of my work is machine produced. Dresden Plate is one of my favorite patterns. I still say "in all aspects of quilting, if it does not make a difference at 30 feet or in 30 years, it's OK".

I learned to quilt when myself and 5 others, took lessons from Marge Kerr (charter and founding member) at my house in 1972 (before CQC).

## Library Notes

Someone put a book in the library crate on Saturday that may be a donation or by accident. The book is *Quilt & Embellish in One Step* by Linda Potter. The book is stamped inside with "Officially Withdrawn From the Hennepin County Library" and has a price tag of \$6 on the front of the book. If the book was placed in the crate accidentally, the owner should contact me to get it back.

I won't bring books to the August meeting in Steamboat, but I would be happy to bring any books that someone would like to request. Just let me know! I will be bringing crates of books for checkout to the July meeting in Parker.

A book was borrowed at the May meeting in Littleton; *Fractured Landscapes* by Katie Pasquini Masopust. I need information.

Thanks. — Judy Forkner, Librarian

There were 40 people at the 2017 CQC Spring Retreat in Colorado Springs this year. We were talking about how many years total quilting experience was at this year's retreat. So Daisy Sedalnick took a poll and the grand total was 1,282 years and 2 months. The person who had been quilting the longest was Nancy Brooks with 72 years. Virginia Tomerlin had the shortest amount of quilting experience.

The CQC raffle quilt, "Winter Wonder" has been busy selling tickets. This past Friday it visited the Arapahoe County Quilters' Festival of Quilts XIV in Littleton. There were over 100 quilts in the exhibit, most of which were judged. Many of those quilts were high quality and won awards. We sold tickets outside the area where quilts were displayed and did quite well. In one day, we sold 203 tickets and made \$184.00. Thank you ACQ, for inviting us to attend your festival.

I would like to remind those of you who have yet to send in your tickets and money, that we are now at mid- year. There is still time, but I would hate to leave you out of the chance of winning our gorgeous quilt. Please contact me if you would like more tickets sent to you. If you plan to attend a meeting, I can collect your tickets and payment there. As of June 12th, 9,015 tickets have been sent to CQC members, and of those, 4,512 tickets have been returned as paid. That is 50% of the membership so far.

We have additional plans for "Winter Wonder" to travel. On June 21 it will be visiting the Piecing Partners' guild in Colorado Springs. We have yet to determine more sites to show off our raffle quilt. If your guild would like us to visit, please contact me and we can make arrangements.

# General Meeting Minutes

June 24

Mt. View Community Church, Cañon City CO

*President*, Dawn Mills called the meeting to order at 9:50a. She thanked Mt. View Community Church for hosting today's meeting and Royal Gorge Quilt Council for all the good refreshments. Prudy and Kati spoke and welcomed everyone to Cañon City.

The minutes from the May General Meeting were approved as printed. Karen Brown read the abridged minutes from the June 13th board meeting.

*Officer Reports:*

*President*, Dawn Mills—CQC will hold a garage sale after the October general meeting. If you have usable items to donate for the sale, please contact one of the board members. 2018 speakers will be announced at Quilt-A-Fair in September. Be sure to come to the July meeting and help celebrate our 39th birthday. If you would like to help plan the 40th birthday celebration next year, please let us know.

*Treasurer*, Mary Rush—see the newsletter for details.

*Membership*, Pat Cleaveland—68 members present, 9 guests. 546 members for the year. Rosters have been mailed to all who requested it.

*2017 Programs*, Lucille Rypinski—I still have a few spots in Sunday's workshop. July with Alex Anderson, the luncheon is filled, and a few spots are available in her workshops. The August speaker is Joe the Quilter. Joe Cunningham will dazzle us with a trunk show. His workshop on Sunday will be Rock the Block taking your traditional block and making it totally different. This is going to be filled with humor and excitement.

*Committee Reports:*

*Library Show*, Ellen Nepustil—will be hung in the Gates Reading Room on the 5th floor of the Denver Public Library on June 28. Viewing from June 29—August 27. Quilts will be ready for pickup on August 28.

*Quilt-A-Fair*, Dawn Mills—we have 54 vendors. We need quilts to show. You do not have to have your quilt judged, you can just hang it. We need a volunteer to organize bus tours.

*QAF Volunteers*, Karen Brown—we need individuals to volunteer to work two-hour shifts, Friday, September 22—Saturday, September 23rd. We need people for the raffle quilt, silent auction and admissions desk. If you volunteer, you will be admitted to Quilt-A-Fair for free. There will be prize drawings for the volunteers and the first place prize will be a year's membership in CQC. Contact me at [cqcsecretary2016@gmail.com](mailto:cqcsecretary2016@gmail.com) or 303-948-2041 (please leave a message if I am not home or I will block the number).

**REMEMBER DEAR DAWN NEEDS YOU!**

*Gypsy Wives Quilt*, Dee Peacock—please turn in your finished block now. It is time to start assembling the blocks.

*Project Warm Hearts*, Nancy Samuel and JaNelle Erickson—we will have two quilts to show and give away. The winners: 1. Kris Wilson, Glenwood Springs. Her charity is River Bridge Regional Center (Child Advocacy Center, child abuse). 2. Nina Stevens, Pueblo. Her charity is Habitat for Humanity. Donna Garcia will be at the meeting to receive the quilt. From the scrappy strip blocks we received enough blocks for 8 quilts, (three twin sizes and 5 lap sizes). Thank you everyone who submitted blocks. I will show the new block for July.

*Fall Retreat*, Karen Hadfield—The quilt with the red backing is the first one completed for Fall Retreat 2016. Blocks designed and a quilt made by Lynette Joines. Quilted by Cyndi McChesney, both from Cañon City. The quilt with blue backing was assembled, quilted and bound by Daisy Sedalnick. Using Patriotic fabrics these qualify as "Quilts of Valor". CQC is donating these two quilts to The Alzheimer's Association of Pueblo on behalf of Evelyn "Evie" Sheldon. Felice Duff will represent the organization and receive the donation. See the newsletter for details for the 2017 Fall Retreat.

*Raffle Quilt 2017*, Kay Hefner. 4,512 tickets sold. 31% of tickets distributed. 213 were sold at the Arapahoe Quilt Show.

*Shirley Sanden Memorial Fund*, Sue Keck. There are funds available for scholarships to further your quilting education.

*Mystery Quilt*, Carol Cook—the last steps are in the June newsletter. The quilt is called Spool Dance. Bring your finished quilt top to share at a meeting.

*Announcements:*

The May meeting, Quilting with CQC, will be traveling to Colorado Spring in April of 2018 to reach more young people. We will be looking into 4H groups and Girl Scout troops to give classes to earn badges.

Patsy Serna—Thank you to Mitzi King and Scotti McCarthy for teaching and Brenda Branson for organizing Kids' Camp at the Rocky Mountain Quilt Museum, 6-12 to 6-23. The participating kids were very excited with their completed projects.

Patsy Serna—Rocky Mountain Bead Society, [rockybeads.org](http://rockybeads.org) is looking for vendors who would like to expose their art to beadlers. # What Do You Mean "Deadlines"?

By Ellen Palmer, Quilt-a-Fair Quilt Show, Chairman

I've been thinking a lot about the quilt show lately. After all, I have been working on the entry form and the rules since January. Preparing the forms and getting them ready for the newsletter and the website so you will be able to enter "right away", has been my total focus up until now. Now, my new focus is on "deadlines".

Whoa!! What deadline? What does that mean? What do you mean closing dates?

Your entry form must be postmarked by July 30. Here's a positive thought, the earlier you get your entry form sent to me, the earlier you can relax until September.

What happens in September? There is a-n-o-t-h-e-r deadline! Ahhhhhh! Yes, you will have to drop your quilt off between September 1 – 15.

Another important deadline for you to know is the actual dates of Quilt-a-Fair's 2nd Annual Quilt Show! Those dates are September 22–23 at the Boulder County Fairgrounds, 9595 Nelson Road, Longmont, Colorado.

Picking up your quilt at Quilt-a-Fair after the show? The deadline to do that is between 5:00–5:45p.

Did you give permission for someone else to pick up your quilt at the show? (Note: The permission portion on the entry form pickup date at Quilt-a-Fair is September 23rd, not the 24th).

Picking up your quilt at one of the quilt stores? The pick up dates are between September 25–30 during the store's normal business hours.

If you dropped your quilt off at a CQC member's house, you will not pick it up from them. You will have to pick it up from Ellen Palmer's house (that's me) in Englewood between September 25–30. Be sure to call ahead to schedule a pick up time. (Note: I plan to be out of state in October, do not make me hold your quilt hostage until I return.)

Please, please, pick up your quilt on schedule. Don't make me have to donate it to our great charity committee! (The last sentence is a joke! Do not call me about that!)
