**Assembly**

Match 2 of the dark 4 1/8" squares together with the 2 light squares and the other two dark squares with the 2 background squares to make HSTs. \*\* Trim to 3 1/2"

**Center:** Use the 4 dark/medium HSTs, following the shaded diagram, make a pinwheel block.

**Sides:** Make 4 short sides using 1 background/dark HST and 1 background 3 1/2' square.

Make two long sides by adding a medium 3 1/2" square to each end of 2 of the short sides.

**Finishing:**

Sew one of the short sides to one side of the pinwheel and the other to the opposite side of the pinwheel center. Sew each of the long sides to the other opposite sides.

**\*\*To make half square triangle blocks:** On the back of the lighter of the fabrics, draw a line diagonally from corner to corner. Then 1/4" on either side of this cutting line, draw 2 stitching lines. With two squares, right sides together, sew on the two outside stitching lines. Then cut into 2 halves on the line between the two stitching lines. Press out and you will have 2, half square triangle blocks.
