## Blocks

We will be making 2 blocks - Block 1 uses sections 2G and 2H and Block 2 uses sections 2G, 2H and 2GH.

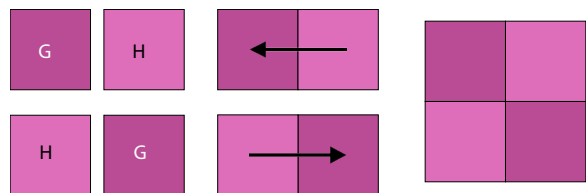

### Block 1

#### Step 1

Refer to diagram 1 and sew 2 fabric G and 2 fabric H 2 1/2" squares into a four patch unit. Press to fabric G squares. I like to swirl the center seam of a 4 patch unit; I find it helps the block to lay flat.

Four patch units should measure 4 1/2" x 4 1/2".  
Make 4 (9) four patch units.

#### Step 2

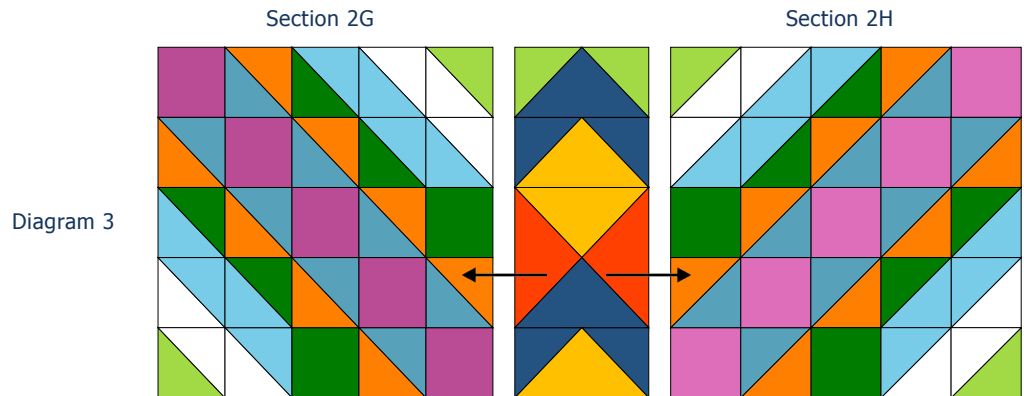

Refer to diagram 2. Sew a section 1 unit to both sides of the 4 patch unit. The I/J FG unit should be next to the 4 patch unit. Press towards the four patch unit. Center row should measure 4 1/2" x 24 1/2".

### Step 3

Refer to diagram 3. Sew a section 2G to the left side a section 1 unit. Sew a rotated section 2H to the other side. Press away from the section 1. Row should measure 10 ½" x 24 ½". Make a total of 6 (16) rows.

### Step 4

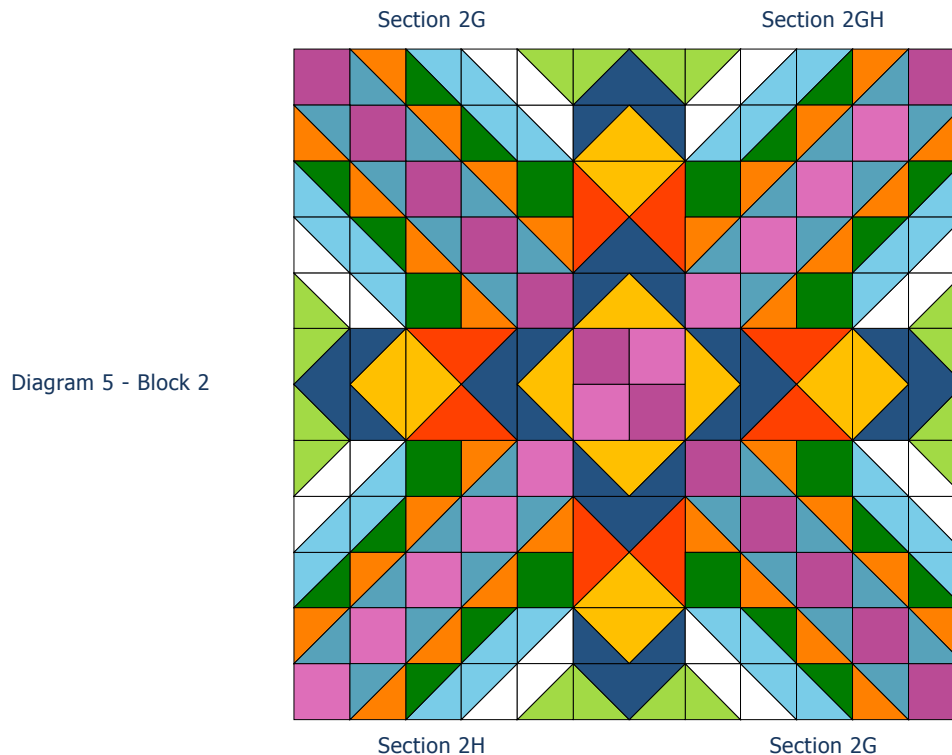

Refer to diagram 4 and sew the rows from step 3 to the top and bottom of the center row. Block 1 should measure 24 ½" x 24 ½". Make 2 (7) of Block 1.

## Block 2

### Step 5

For all sizes, refer to diagram 5 and following steps 2 -4, make 2 of Block 2 using 2 of section 2G, 1 section H and 1 section 2GH. Note: do NOT use both of the section 2GH in the same block. Section 2GH should be in the upper right corner of each block. Blocks should measure 24 ½" x 24 ½" .

## Quilt

### Step 6

Refer to diagram 6 on page 5; square quilt is pictured. Sew the blocks into rows and sew the rows together. The Square and Lap quilt will have 2 rows with 2 blocks in each row. The Queen quilt will have 3 rows with 3 blocks in each row. The 2 blocks with the section 2GH should be the block in the upper right of row 1 and rotated in the lower left of the bottom row.

### Step 7

Sew a fabric G border to both sides of the quilt. Press to the borders. Sew a fabric D 2 ½" square to both ends of the 2 remaining fabric G borders. Press to fabric G. Sew the borders to the top and bottom of the quilt top.

### Step 8

Sew a fabric D border to both sides of the quilt. Press to border. Sew a fabric L 2 ½" square to both ends of the 2 remaining fabric D borders. Press to fabric D. Sew borders to the top and bottom of the quilt top.

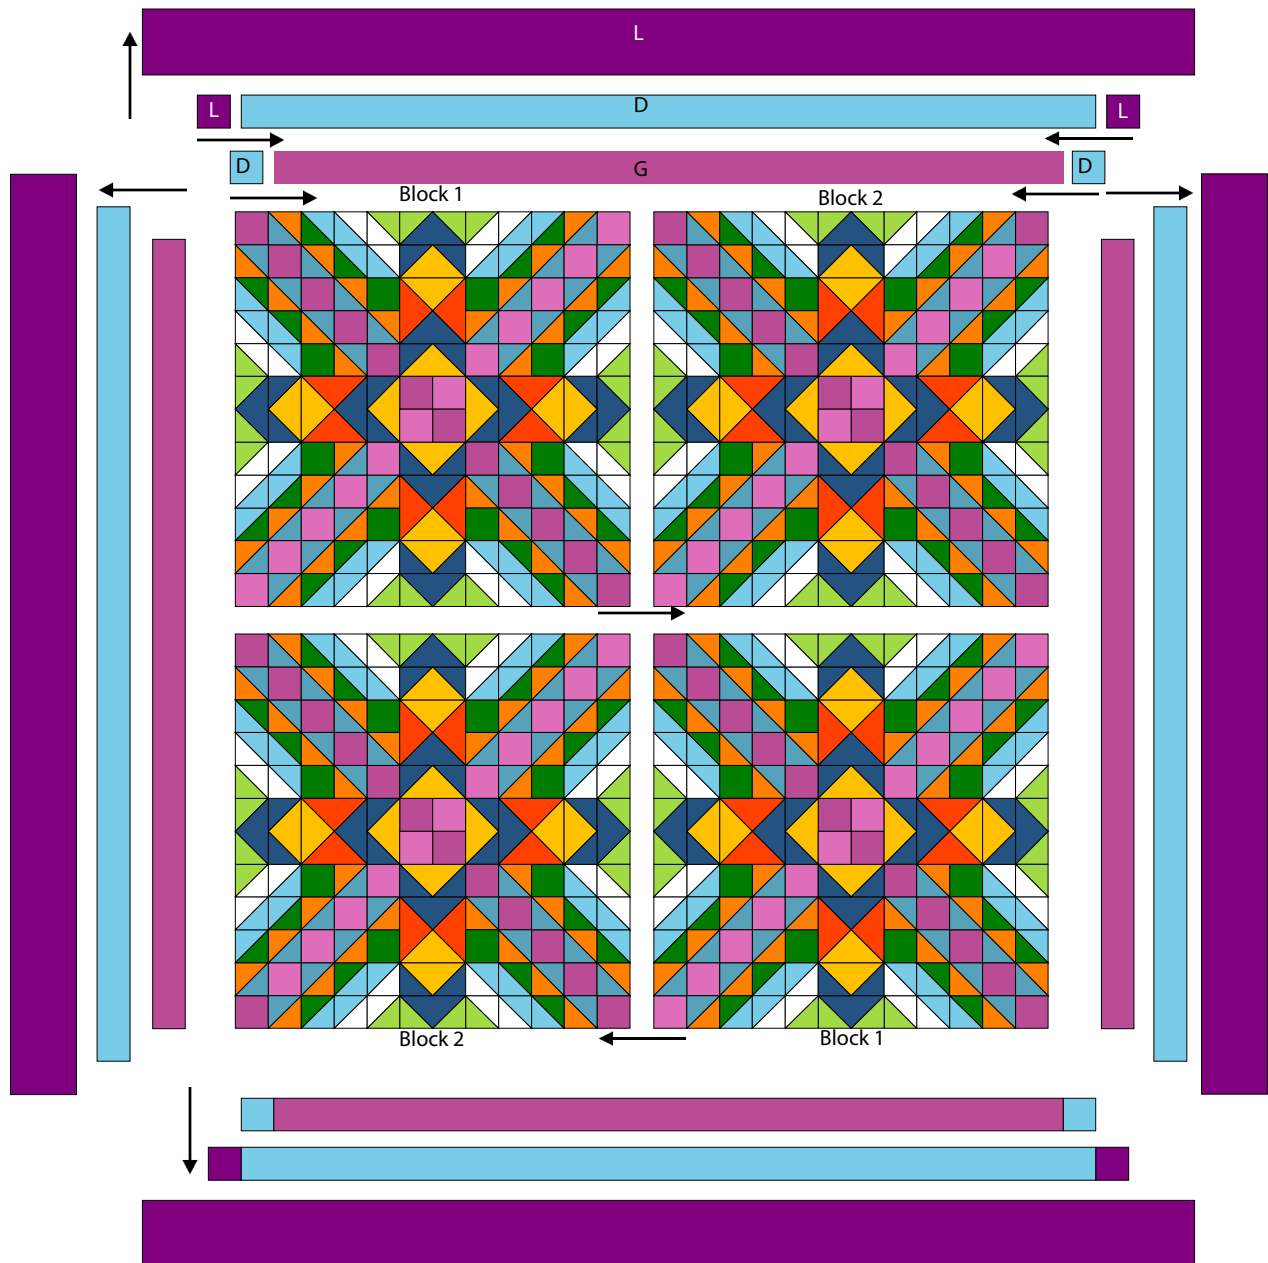

## Step 9

Sew a short fabric L border to both sides of the quilt. Press to fabric L border. Sew a long fabric L border to the top and bottom of the quilt top. Press to fabric L border. The Square and Lap quilts should measure  $64 \frac{1}{2}$ " x  $64 \frac{1}{2}$ ". The Queen quilt should measure  $92 \frac{1}{2}$ " x  $92 \frac{1}{2}$ ".

For the Square and Queen quilt, it is time to skip ahead to step 11.

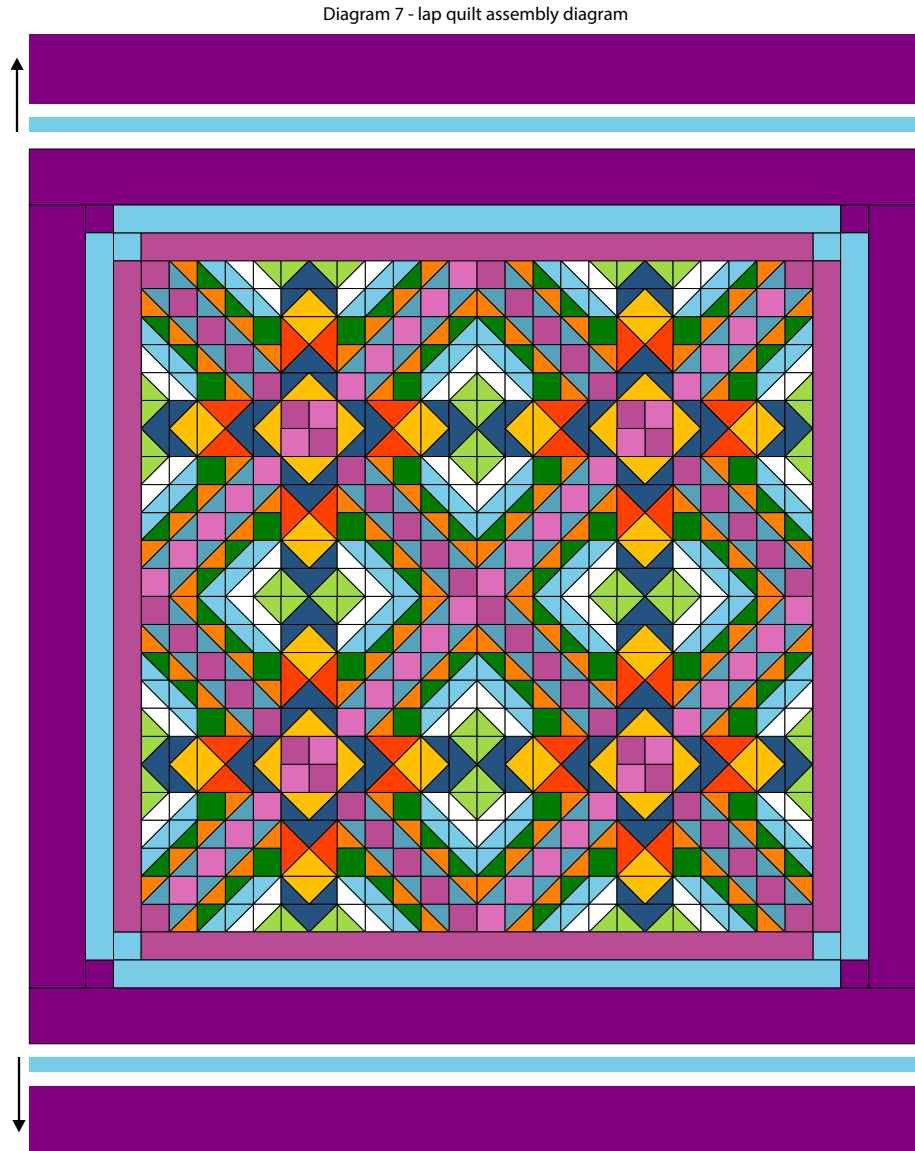

For the Lap quilt, move onto Step 10.
