Friendship Star Block

Pattern beginning May 2025

9" finished block (9 ½" unfinished)

Bright Fabric (any bright colors):

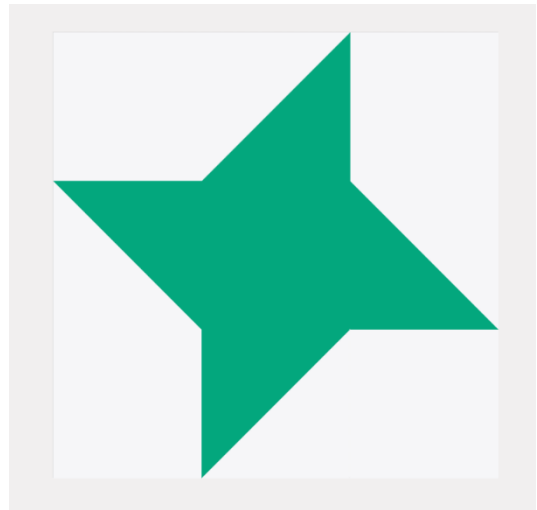

Cut 2 - 4" squares

Cut 1 - 3 ½" square

White Background Fabric:

Cut 2 - 4" squares

Cut 4 - 3 ½" squares

Directions

Step 1:

Using the 2 bright and 2 white 4" squares, make 4 half square triangle blocks (HSTs).

To make HSTs: Draw a diagonal line on the wrong side of the white squares. Pin a bright and a white square right sides together and stitch ¼" away from each side of the drawn line. Cut on the drawn line and press toward the bright side. Trim to 3 ½". Repeat with the other pair of bright and white squares.

Lay out the pieces to match the picture above.

Step 2:

Center row. Stitch a HST on one side of the bright 3 ½" square.

Press toward the bright square. Repeat on the other side, making sure to orient the HSTs according to the picture.

(Make 1 row.)

Step 3:

Top and bottom rows. Stitch a white 3 ½" square to a HST, taking care to orient the HST properly. Press toward white square.

Repeat on the other side. (Make 2 rows.)

Step 4:

Stitch the 3 rows together, matching the picture above and nesting the seams.

Press toward the center and trim to 9 ½", if necessary.
