

Breakout

Class Supply and Precutting Instructions

This will be a fun class!
You will learn to sew this wonky,
modern log cabin style block.
I always share lots of tips.

In class I will share images of the pattern showing different ways to color the blocks, ways to rearrange the blocks and go over good piecing techniques!

Pattern

Each person needs their own copy of the **Breakout** pattern. **I will bring paper patterns with me to class; if you want to cut out your fabrics prior to class, you can order the pattern from my website; it is available as a paper pattern that will be shipped to you or as a downloadable PDF.** *(My website is listed below.)*

If you want to wait to get the pattern in class, or you want to make a small project, I have provided a bonus cutting sheet for making a small table runner. This way, you will have blocks to work on in class. You will still need to purchase the pattern.

Supply List

Basic Sewing Supplies - whatever you usually keep close by such as snips, seam ripper, pins ...
Rotary cutter, mat and ruler
Sewing machine
Thread in a neutral color and pre-filled bobbins
Iron and ironing surface

Fabrics

Cutting your fabrics before class allows you to get started making your blocks. In this short, 3 hour class, we won't really have time for cutting!

Plan to sew a block or 2 in class. The class is about learning block construction, getting ideas on color placement, achieving a good $\frac{1}{4}$ " seam and organizing the strips to sew the block in the correct order!

Note: *there are 2 sizes of the quilt in the pattern, lap and queen. The block sizes are different so pay attention to which size quilt you are making to be sure you cut your pieces the correct size!*

Or follow the cutting for the bonus table runner in the second handout.

Breakout

Class Supply and Precutting Instructions

Refer to the cutting in the pattern for each of the fabrics. The pattern states when the pieces are needed for the sashing or borders so you can ignore those for now if you want. If you are only cutting for a block or 2 to make in class, note that for most of the fabrics, you will need one square or rectangle of each size per block; for others you will need 2 pieces.

Fabric Requirements:

Fabric	Lap Quilt 57" x 75"	Queen Quilt 96" x 96"
Fabric A- light blue	¼ yard	⅜ yard
Fabric B- white background	4 ¼ yards	7 ⅜ yards
Fabric C- light green	¼ yard	¼ yard
Fabric D- medium green	⅜ yard	½ yard
Fabric E - medium blue	⅜ yard	½ yard
Fabric F - med dark green	⅜ yard	⅝ yard
Fabric G - med dark blue	⅜ yard	⅝ yard
Fabric H - dark green	⅜ yard	¾ yard
Fabric I - dark blue	⅜ yard	¾ yard
Binding - I used more of fabric G	½ yard	¾ yard
Backing and Batting I used Warm 100 from The Warm Company	4 ¾ yards	8 ⅞ yards

See you in class!

Kate
