When Hannah Claassen discovered quilting, she found an art form consistent with her first love: dance. She says the freedom of motion and expression her long-arm machine offers allows her to dance across fabric with thread. Members of the Colorado Quilting Council will experience a blend of her artistic passions when she speaks, dances and shares her quilts at the meeting.

All the quilting she does through her long-arm company, *Fairy Ring Quilts*, based in Conifer, is custom work.

"I don't use pantographs or design software," she said. "I believe every quilt is imbued with love and more than a little magic. I bring that love and a unique approach to each quilt thinking about the who, what and why of each project." She enjoys designing her own quilts and helping other quilters and their families complete their projects.

Before Hannah quilted, she danced. As a graduate of the Denver School of

the Arts, she had extensive training in ballet and modern dance. She earned her Bachelors Degree in Fine Arts in Modern Dance at the University of Utah. In Utah, she performed reproductions of the works of Hanya Holm with renowned dancers, and she danced with Repertory Dance Theatre for the Arts of Salt Lake City during the 2002 Winter Olympics.

She is an enrichment life coach for Summit Education Group and teaches dance at Peak Academy of Dance in Conifer.

Some of Hannah's dance students will accompany her in her presentation to CQC.

Thank you!

Dear Quilting Friends,

THANK YOU...what a truly wonderful year we have had celebrating 40 years of The Colorado Quilting Council and quilting in Colorado. To my wonderful Board members who give of their time, energy and love and are always there

when asked to make another basket, meet just one more time or take on a project that will make CQC even better, THANK YOU!! To our Volunteers who also give of their time and work on all of the behind-the-scenes projects, documenting quilts, hanging quilt shows, judging competitions, making charity blocks, helping at meetings, working at Quilt-a-Fair and so much more, THANK YOU!! To everyone who has been a long time CQC member and those who joined for the first time this year, and to all who have returned after a break to deal with other life events, THANK YOU!!

Please check on the website **coloradoquiltingcouncil.com** for photos from the December Meeting and also a sideshow of all CQC events during our 40 years of quilting.

We are excited to begin our 41st year with more events and opportunities to celebrate quilting. We have many new Board members who are joining us to bring their ideas and expertise to a variety of committees. Our new 2019 Raffle Quilt will be unveiled at the January meeting and it is a totally different quilt and is called "Star Crazy". THANK YOU to Sue Keck, Mary Rush, Lucille Rypinski, Karen Brown and also Charlene Wilderman for letting us use her basement sewing room to do the construction of the quilt. It was quilted by Deb Ator who did excellent quilting work and was the winner of our 2018 Red & White Quilt Show at Quilt-a-Fair. Kathy Emmel made the beautiful label for the quilt. These ladies are all amazing and the quilt will be fun to have as a backdrop for the year. Please plan to attend the January meeting to get your tickets and to also see the lecture by

CQC and NACQJ certified
quilt judge,

Candy Droz

passed away on
December 10, 2018 at
her home in Buena Vista,
Colorado. Her husband of
60 years was by her side. For
many years, Candy was an active member of
the CQC Competition Committee as a mentor
and quilt judge. In 2018, she was honored to
be included in the CQC Hall of Fame.

Candy loved spending time with her family,
especially nieces and nephews and friends.
She was a member of the Blazing Needles
Quilting Club.

Candy enjoyed making numerous quilts for
brothers and sisters, nieces and nephews. She will
be remembered for her generous, loving heart.
Candy was loved by all who knew her for her
kindness and gentle spirit. She will be missed.

Programs Year-End!

As the year comes to an end, it is time to review the 2018 Programs. I hope you left each meeting feeling inspired and wanting to try something new. Our speaker line-up covered almost all aspects of quilting. We started with Sue Patten, a longarmer from Canada and her whole-cloth quilts. In February, Marty Ornish showed us how she gives new life to tattered quilts, quilts that have been loved and worn out. Her garments are unique and fascinating. In class, she shared her techniques for putting vintage cloths together. In March, Karen Eckmeier shared some of her new techniques with curves and squiggles, while many enjoyed taking her small villages class. Judy Gula in April took us to Indonesia and the wonderful world of batik. In class, we learned how to create our own designs with stamps and paint. In May, Jenny Lyon taught us how to be fearless when free-motion quilting. I'm sorry to say I missed June and July where Dierdre McElroy took us to Tahiti with her hand applique, and Rickey Tims joined us as we celebrated turning 40. In August, we traveled to Hotchkiss where Amy Meissner shared her "Inheritance" work featuring vintage textiles that were hanging in a museum in Anchorage when she joined us. In October, we enjoyed the Tokyo Quilt Festival through the eyes of Tracey Brookshier. Her class featuring her party bags pattern was so much fun. We ended the year with Victoria Findlay Wolfe from New York. Her quilts are modern versions of wedding rings, herringbones, stars and other vintage patterns. Her class was an eye opener with partial seams, a technique I learned a long time ago and had forgotten about.

I'm happy to report that all but two classes were full or nearly full. If you like hearing national speakers, think about taking a class this next year. Speakers require the class to make the trip to Colorado worth their time. CQC offers these classes at an extremely reasonable rate, a great chance to learn from some experts in the field. Also please consider selling all your raffle tickets, the sales of these also support our programs.

Lastly, thank you for allowing me to serve as your VP of Programs for a second time. I really enjoyed the opportunity to select the speakers for the year and hope, if nothing else, that you were entertained and had fun every month. Maybe you learned something new, were inspired to try a new technique, or just enjoyed seeing the beautiful quilts each month. If you want the opportunity to select which speakers you see each month, I encourage you to volunteer for programs.

Thank you, Ellen Nepustil

DECEMBER'S WORKSHOP

Victoria Findlay Wolfe

As our Founding Mother Marge Kerr used to say... Victoria is a smart lady!!!! We had so much fun learning how to do the Modern Herringbone technique. Look at all of those Y-seams!!!!!! You will have to twist the arm of one of the lucky people who got to take the class or get her book Modern Quilt Magic to see how it works, but it truly was magic. She even turned this very traditional quilter into a Modern Quilter for a day. We all had so much fun.

The color combinations were stunning and Victoria shared so many tricks and magic for making modern quilting fun and easy. She is a wonderful lecturer, teacher and an inspiration. I would recommend visiting her website, taking a class, visiting her store if you are in New York City or accessing her video and blog. She is a versatile quilter who loves fabric and quilts.

Thank You!

Thank you to the individual who made the beautiful red and white tablecloth for CQC. When I arrived home from Quilt-A-Fair the tablecloth had been left on my doorstep while I was gone. I do not know who made it and would like to know the name of this individual. The quilt was used at the October meeting and at the December meeting. Everyone commented on how beautiful it is and what a good job was done in making.

Please contact me at cqcsecretary2016@gmail.com and let me know who made this beautiful tablecloth.

Raffle Quilt Winner

2018 Scarlett Galaxy of Stars winner Pat Reynolds of Arvada. She was very pleased to have won the quilt.

Colorado Quilting Council 2018 Raffle Ticket Sales

Annual Committee Report: Scarlett Galaxy of Stars

The pattern was designed and made by Jan Rold. The pattern had 4,303 different red and white pieces. Within the white background were 148 red stars made from 215 red fabrics. Helping Jan complete the quilt: Cindy McChesney, quilter; Kathy Emmel, label; and Sue Keck, binding and attaching the label. The quilt was appraised at \$5,500 by Cindy Brick of Castle Rock.

Our "Scarlett Galaxy of Stars" was shown at our regular 2018 Colorado Quilting Council monthly meetings in Cherry Hills, Boulder, Fort Collins, Colorado Springs, Golden, Pueblo, Parker and Aurora. It was due to be shown in Hotchkiss, but due to an accident, did not arrive there. It was also exhibited at the Denver Quilt, Craft and Sewing Festival (Rusty Barn) in Denver in March and at CQC's Quilt-A-Fair at the Boulder County Fairgrounds in Longmont in September.

At each of the venues above, we were able to set up the quilt for sales. Top total ticket sales for the year are as follows: Pat Reynolds 54, Jackie Anderson 42, Barbara Jones 42, Betty Elsworth 36 and Katie Melich 36. Our raffle quilt drawing was held on December 1, 2018 at the General CQC meeting in Aurora. It is quite fitting that this year's winner of our "Scarlett Galaxy of Stars" quilt is also the member who made the highest amount of sales, Pat Reynolds.

INCOME: \$5,458.00

A total of 6,374 tickets were sold. Tickets were sent to 457 members and 303 members (66%) returned with payment—some, all, or above. We thank all of our members who have so generously to support The Colorado Quilting Council by purchasing your raffle tickets in 2018.

The breakdown of quilt funds collected during the months are as follows:

1/31/18 - \$225.00	6/29/18 - \$440.00

HERSTORY

Susanne Jones,
Curator
