

**CQC COMPETITION – COUNTY/STATE FAIRS OPEN JUDGING SCHEDULE**

If you are interested in attending one of the County Fairs that has Open Judging, below is the list of available Fairs. Even though many of the fairs offer Open Judging, they do not have a large area to accommodate audiences. If you are planning to go as a large group, I recommend you contact me. I will then contact the individual Fair to make sure they can accommodate the amount of people in your party. Ellen Palmer, [ellenpalmer@centurylink.net](mailto:ellenpalmer@centurylink.net)
