Inspired by the textures, lines and colors found in nature, Karen Eckmeier shares her love of curved piecing and collage, and how it led to the creation of her layered topstitching technique. Wild curves and dramatic angles may look

Wiggles and Waves

difficult to do, but the process is really easy and quite relaxing!

So sit back and let Karen inspire you during this presentation on how to use her topstitching technique to create wiggles and waves, twists and twirls, logs and leaves, "Accidental Landscapes™" and even waves to wear. "I am compelled to create; creating gives me energy and I want to share that energy with others."

Fabric is my medium of choice because I love the feel and texture of it.

Nature often inspires my work and I try to show the viewer what I feel in lines and colors instead of reproducing what I see.

My art is happy and upbeat, concentrating on the positive and whimsical side of life."

Thank you!

Dear Quilting Friends,

The celebration continues...it was fun to remember our quilting retreat history of both Spring and Fall. Many projects started and completed, adventures to other parts of the state, mountain and valley, good weather and bad, friends made and kept. We hope that many more of our members will join us for these retreats in 2018. It's a wonderful weekend!!! Spring Retreat registration is underway right now so hurry!!

Wasn't it fun to see Mary Ornish and her interpretation of quilts and using even the "most loved" quilts to make something fabulous? Isn't it great to see a different aspect of quilting and the use of fabric? It would be sad if we only made one style or color combination for quilts. It is part of our purpose and heritage to showcase all aspects of quilting. Go to her website and look more closely at her dresses. I know it was hard to see them on the screen but they were really spectacular close up. Please plan to bring the pieces from workshops that you attend each month. We will add a special segment before the speaker each month to see what we learned and created from our past months. So get those projects going so that we can see how you took inspiration to a new level.

Next month we will celebrate our extraordinary Capitol Quilt Show. Although we are sad that we cannot hold the show at the capitol building any longer due to an aging building and more restrictions due to the security in our country, we have wonderful memories of the quilts decorating the halls of the state government, flapping in a summer breeze, sore necks from looking up three stories and gazing in wonder and awe at their beauty and the opportunity to share the legacy of quilting with so many visitors over the years.

You will see the 2018 Budget published in this edition and we will vote on it at the meeting. We again are at

a bit of a deficit. We have trimmed it as much as we can and are still providing quality programming and activities. We can reduce the deficit by increasing membership; working toward 100% participation in the selling of 2018 Raffle Tickets; and bringing more people to Quilt-a-Fair. Bring a friend this year and return on Saturday for the live Mini/Small Quilt Auction. This is going to be an awesome Quilt-a-Fair with the Red & White Quilt show, so we should have record attendance. If you have any additional ideas of how we can generate income or trim in any way, see Mary Rush, Sue Keck or myself.

Keep working on those Red & White quilts and Mini/Small quilts for QAF.

In celebration,
Dawn

Volunteers: Log your own hours

I need your help, please!

At the last General Meeting I announced that members are to log in their own hours in 2018. Dawn and I showed everyone how to do this and explained each part, however, several ladies asked if I could log the hours for them anyway. It's been 5 years since we have used **Track It Forward**, we have used chairpersons to help get those hours in, and I have logged in many, many members hours.

We are going to try something new. If you need help getting started—logging on, creating a password, understanding how to log those hours—there will be someone available to help you with

a computer. They'll help you get started and then you should be able to log your hours after that, even if you must ask a friend, a librarian, a grandchild or great-grandchild to help at home. If you keep up each month it will help you by understanding what to do.

You will need to have: your hours, the date of the event, committee you volunteered to work on, the first time so I can help you do everything to get started.

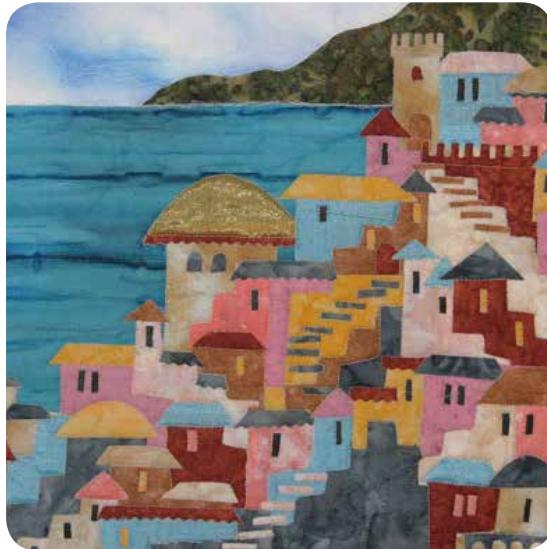

Let's work together this year so everyone that volunteers will receive a star, pin, or bar next year.

Woodblock printing on textiles with carved wooden blocks is an ancient art. One of the earliest methods of surface design. There may be faster ways to alter yardage with printing, but the results using woodblocks are gorgeous textured and full of character.

We will begin our day learning to print our fabrics with a wide variety of wooden printing blocks and textile paints. After our lunch break, we will spend the afternoon cutting our hand printed fabric and our black and white/other prints into raw edged blocks units, and assembling our artful collages with fusing. The final touch is adding quilting and stitching (by machine or by hand, your choice).

Each student will receive one small wooden printing block and a foam printing mat to keep! Supply fee also covers cost of supplied textiles, paints and full use of a wide array of hand carved blocks while in class.

Using a scrap of fabric as a “starter,” students learn how to create a unique free motion quilted background, step-by-step. A timid free motion quilter will gain confidence in this class. This is a great class for students with a little free motion quilting experience who want to learn to combine motifs and discover their own personal style. Various motifs and fills will be taught in class.

40th Anniversary Reflections

The Colorado Quilting Council presents

The Capitol Quilt Show

The first Capitol Quilt Show was held in June of 1988. The first chairs of the show were Madelyn Gibbs and Bernice Fair and there were so many volunteers. The show featured 178 quilts from quilters across the state. It was a huge success. The show was such a success that we decided to hold it biannually in even numbered years. We always had over 200 quilts after that and often turned quilts away. The show cost \$10,000 to hang and it took members a couple of years to make quilts for the shows. Many quilters made quilts specifically for the

show. It was a show that was highly anticipated in those years. People would schedule their vacations to come to Colorado during that time so they wouldn't miss the show. I still get emails asking when

the next show will be held. The entire show experience was truly a work of love by those who made the quilts, collected and organized them, photographed them and hung them for everyone to see. As Kathy Emmel said, in our 20th Anniversary Documentary, "The show is a gift to the people of Colorado from The Colorado Quilting Council." The show was hung every other year until 2013.

Don't miss our celebration of the Capitol Quilt show at our March meeting. It is part of our history that is hard to describe in mere words. We will have several of the quilt books, newspaper articles, past chair people, stories and we hope lots of quilts for Show & Tell that really tell the story of this fantastic show put on by CQC.

Documentation Dates 2018

Our quilt documentations help to preserve the heritage of quilting in the state of Colorado. We can also provide sources of information and inspiration.

Mini/Small Quilt Auction Returns to Quilt-a-Fair

We will bring back a popular event on Saturday of Quilt-a-Fair. Make a mini/small quilt (maximum size of 120" total perimeter) any pattern or color combination. The quilts will be on view all day Friday and Saturday morning. We will then have the auction, led by a professional auctioneer. Be there to raise your bid card and battle it out for the quilt you love the most. The maker gets 70% of the selling price and CQC gets 30%. This will be so much fun. Start making that small quilt and watch for more details. Only 5 quilts will be accepted per person.

March's Show & Tell Theme

Bring any quilt that was shown at the Capitol Quilt Show. We'd love to see many from this wonderful event.

CQC Birthday Luncheon

July 23, in Parker

We are asking you to decorate the tables to help celebrate our 40th birthday. The tables seat six individuals comfortably. So get six friends (old or new) together and design a table decoration to celebrate our Ruby Jubilee. Tables can be decorated at the break.

The box lunches will include a whole sandwich, chips, fruit salad and a double fudge brownie. There will also be red velvet cupcakes. Please select one of the following choices:

Gifts and Grants, Patsy Serna: We have received a grant request from ABC Quilts of Colorado for \$500 to help offset the cost of batting. The main objective of ABC Quilts of Colorado is to provide quilts to children in need of a tangible source of warmth and comfort as well as a way to assure the children that they are loved. The quilts are distributed to approximately 17 different public and private agencies throughout the Denver Metro area. Since the group's inception in 1993, more than 25,000 quilts have been made and donated. Fabric is often donated to the group and volunteers purchase their own supplies. Batting is a major expense funded by ABC. ABC Quilts has previously received \$500 in grant money in 2012, 2013, 2015, and 2016. Proposal: Gifts and Grants and the Board present this request to the membership for approval. I move that CQC Membership approve to fund this \$500 grant request for ABC Quilts of Colorado. The motion was seconded by Barb Jones. A vote of the membership was called for and the motion passed with no one opposing and no one abstaining.

Library Quilt Show 2018, Pam Walsh: check the newsletter for details of the show. The theme is Western. Applications are due by April 15th; sizes are minimum of 30"×50" and a maximum of 60"×72". You can choose if you want to be judged or not and the Library will pay \$1,000 to a quilt of their choice to remain in their permanent collection (you do have a right of refusal if you do not wish to give up your quilt).

Volunteers, Laural Hoppes: please log your hours in as you do them, this way you will not forget what you have done and how much time you spent on the project. We need to track volunteer time for our tax exempt status.

Shirley Sanden Memorial Fund, Sue Keck and Lucille Rypinski: a \$55 CQC workshop certificate for volunteering in 2017 was awarded. You can apply for a scholarship of up to \$75 to use for any quilting class, these are given out quarterly. This fund is supported by the red ticket items raffled at the meetings.

Karen Brown, Recording Secretary **MEMBERSHIP NOTES**

2018 Raffle Tickets

Please pick up your raffle tickets at the general meetings. We are trying to save money on postage and we will not be mailing them to you individually this year. A friend or relative can pick up the tickets for you. Thank you for your understanding.

2018 Membership Rosters

The roster is being finalized as you read this newsletter. Because the cost to mail them has increased, we have decided to only mail copies to those who live very far away (out of state). Copies will be available for pickup at all meetings. Ask a friend to pick yours up if you'll be away.

New and renewing members are welcome at any time of the year. However those joining after early March won't be in the roster this year since we print them only once a year.

Can't find your newsletter? Even if you prefer getting your newsletter by mail, the CQC website is a great way to find missing newsletters. Go to coloradoquiltcouncil.com and click on "Newsletter and Archives" on the right side of the screen. You will find the current newsletter after about the 10th of the month as well as archives of previous newsletters back to January 2015. Everyone has access to this service even if you get mailed newsletters.

If you have any membership questions, please contact me at cqcmembership@gmail.com or patcleaveland@msn.com or 303-642-3338.

Entrants have the option of entering in a judged category for other awards.

THEME-WESTERN

Whatever your style, incorporate something "western" into your quilt design. There is no limit to the possibilities with this theme: traditional, modern, improvisational and innovative design decisions are all opportunities to express our western theme in fabric.

The quilt dimensions are 30"×50" minimum up to 60"×72" maximum. Applications are available online at the CQC website. Applications must be submitted by April 15, 2018. Up to three quilts may be submitted for the \$15.00 application fee.

2018 Mystery Quilt

Clue 2 of 4

Clue 1 of this mystery quilt series was revealed in the February issue, and included the materials list and cutting instructions for the entire quilt. This month we're making Flying Geese (FG) units. In fact, there are 4 different Flying Geese units, so pay careful attention.

Please read all instructions before beginning. Basic quilt making and rotary-cutting skills are assumed. All dimensions include $\frac{1}{4}$ " seam allowances, unless otherwise indicated. Accurate cutting and piecing are needed. It is recommended that the first unit in each step be sewn and measured. Adjust your seam allowance as needed to achieve the correct size.

Making Flying Geese Units

Flying Geese Unit 1 (FG1)

Mark 32 Color D $3\frac{7}{8}$ " squares diagonally from corner to corner on the wrong side of the fabric.

Lay two of the Color D $3\frac{7}{8}$ " squares diagonally on opposite corners on the Color A $7\frac{1}{4}$ " square right sides together, as shown. The two Color D squares will overlap in the center.

Sew a scant $\frac{1}{4}$ " seam on each side of the marked diagonal line. Use a rotary cutter to cut through all layers along the marked lines. This will make two large triangles with smaller triangles already sewn onto them.

Press all the small triangles back.

Place another Color D $3\frac{7}{8}$ " square on each of these units, right sides together. The marked diagonal line should run from the center of the unit to the outside corner.

Sew a scant $\frac{1}{4}$ " seam on each side of the marked diagonal line.

Use a rotary cutter to cut on the marked diagonal line. Press the remaining small triangles back to make four Flying Geese Units. Trim Flying Geese unit to $3\frac{1}{2}'' \times 6\frac{1}{2}''$, as shown.

Repeat using all 8 Color A $7\frac{1}{4}$ " squares and 32 Color D $3\frac{7}{8}$ " squares to make 32 FG1 Units.

Flying Geese Unit 2 (FG2)

Mark 16 Color C $3\frac{7}{8}$ " squares diagonally from corner to corner on the wrong side of the fabric.

Using these marked Color C squares and 4 Color B $7\frac{1}{4}$ " squares, repeat the instructions above to make 16 Flying Geese Units, measuring $3\frac{1}{2}'' \times 6\frac{1}{2}''$.

Flying Geese Unit 3 (FG3)

Mark 32 Color C $2\frac{3}{8}$ " squares diagonally from corner to corner on the wrong side of the fabric.

Using these marked Color C squares and 8 Color D $4\frac{1}{4}$ " squares, repeat the instructions above to make 32 Flying Geese Units, measuring $2'' \times 3\frac{1}{2}''$.

Flying Geese Unit 4 (FG4)

Mark 16 Color D $2\frac{3}{8}$ " squares diagonally from corner to corner on the wrong side of the fabric.

Using these marked Color D squares and 4 Color C $4\frac{1}{4}$ " squares, repeat the instructions above to make 16 Flying Geese Units, measuring $2'' \times 3\frac{1}{2}''$.

Step 3 is complete. There should be:

- 32 $3\frac{1}{2}'' \times 6\frac{1}{2}''$ Flying Geese 1 (FG1) units made with Color A & Color D
- 16 $3\frac{1}{2}'' \times 6\frac{1}{2}''$ Flying Geese 2 (FG2) units made with Color C & Color B
- 32 $2'' \times 3\frac{1}{2}''$ Flying Geese 3 (FG3) units made with Color C & Color D
- 16 $2'' \times 3\frac{1}{2}''$ Flying Geese 4 (FG4) units made with Color D & Color C

Label your Flying

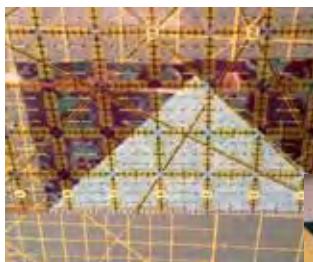

Geese units.

(Trust me, it is
easy to get them
confused in the
next clues.)

Stand back and
admire your
work! Aren't you
wondering how
we are going to

combine these flying geese units with the other patches cut last month? It's a mystery!

 - ◆ Fill out the form with your charity of choice.
 - ◆ Include a completed form with each block you turn in.

Friendship Star Block

To celebrate 40 years of friendship with CQC, we have chosen the Friendship Star Block as our first Warm Hearts quilt block. To continue the Ruby Jubilee theme, we have chosen red and white (use of scraps is fine). Thank you so much for your participation.

Block Directions

This is a 12½" square block. It is made from whites and reds that you choose.

- Cut 2 red squares $4\frac{7}{8}$ " (I cut mine 5" and trimmed them down after the half-squares were made.)
 - Cut 2 white square $4\frac{7}{8}$ " (see above)
 - Cut 1 red square $4\frac{1}{2}$ " for center
 - Cut 4 white squares $4\frac{1}{2}$ " for corners

1 Make 4 half-square triangles. Take a larger white square and draw a diagonal line from one corner to the opposite corner. Layer the white square (right sides together) with a red square and sew $\frac{1}{4}$ " from the line on both sides of the diagonal. Cut on the drawn line. Press to the red side and trim to $4\frac{1}{2}$ " if necessary.

2 Repeat with second set of larger squares.

3 Lay out block as shown with the four plain white blocks in the corners, the plain red block in the center and the 4 half-square triangle blocks filling in the sides, all pointing in the same direction around the center.

4 Sew in rows. Join rows using a $\frac{1}{4}$ " seams.

5 Block should measure $12\frac{1}{2}$ " square.

6 Fill out your form with your name and charity of choice for the drawing.
